## Cascade Golf Classic Coming Up Marson & Marson Sponsors 19<sup>th</sup> Annual Event

Are you eager for another fantastic Cascade Golf Classic? Plan to tee up with us on **June 20, 2022** for our 19<sup>th</sup> annual event.

This year we're continuing our partnership with Kahler Mountain Club (formerly Kahler Glen Golf & Ski Resort) and offering the same beloved perks including pre-tournament and on-course contests, a raffle, mystery wine and wine tastings, and activity packages that include a mulligan and an extra drink token.

We're trying some new twists this year as well! A longest drive contest using marshmallows, and a pipe cleaner putting "gimme" in the activity package. We also hope to surprise you with something new in the tee prizes and awards - which will include both gross and net winners. Participants will also be treated to a fantastic taco bar during the awards ceremony.

Marson and Marson Lumber has stepped up to be the title sponsor for the sixth year in a row.

**Supporting our local community is very important to us.**

**Katherine Cornelius,  
Marson and Marson Lumber**

*"Supporting our local community is very important to us," said Katherine Cornelius, Marson and Marson Marketing Director. "In fact, our mission statement is 'We Help Build Better Communities.' We provide quality building materials at fair prices to help build a community. We also build a community by donating our time and resources to worthwhile organizations, like Cascade Medical and CMF."*

*The 2021 event was so much fun, and we raised over \$39,000. Proceeds from this year's tournament support our current campaign for cardiac monitors, EMS e-bikes and community AEDs.*

**Join us for another fantastic event!**

REGISTRATION: **\$125**

SPONSORSHIPS STILL AVAILABLE

## New Year Brings Good News One Goal Met, and Another One is Close

Cheers! Salud! Prost! What are we celebrating? You! Your generosity in response to our end of the year appeal letter and the Community Foundation of NCW's GiveNCW campaign set records. We received over \$36,000!

These funds, combined with grants from the Confluence Health & Wenatchee Valley Medical Group Community Partnership Fund, the City of Leavenworth, and the Leavenworth

Rotary helped us reach one goal. We are proud to announce the completion of our Community AED fundraising.

Now implementation begins. We'll upgrade and expand the number of AEDs so they'll be accessible to residents and visitors alike, and work toward public awareness of their locations. Additionally, we'll help community groups learn the basics of CPR and AED usage with

short classes and an educational video. Everyone can learn and possibly save a life someday.

As for our campaign for cardiac monitors and e-bikes for paramedic use on trails, we're close to our \$77,000 goal. Before long, we'll have this equipment in the hands of providers.

The 19th Annual Cascade Golf Classic will take place at the Kahler Mountain Club.

## Foundation Friends

### Recurring Giving Offers Fountain of Hope

A few of our supporters are unique because they have set up recurring giving. Whether monthly, or quarterly (or paycheck by paycheck like our Cascade Medical staff supporters), this unwavering support fills us with gratitude. It's a sign of trust and connection with our mission.

Karen Arnold has spent almost her entire life here, most of it living five miles up the White River Road beyond Lake Wenatchee.

"My parents bought property in 1937." All around her were, as she recalled, "Tough and determined people. Everyone was friendly; there was a pioneering spirit. It was fun to grow up here, mosquitos and all."

Karen has been a *Friend of the Foundation* for years because she values Cascade Medical as vital to a thriving community.

"My mother had a stroke in 1994, and the rehab at Cascade Medical was so good. She was there as an inpatient for weeks; it was much closer for us to travel to visit her."

**A few of our supporters are unique because they have set up recurring giving... It's a sign of trust and connection with our mission.**

"I know you still do good work," Karen continued, "The ambulances and aid to remote areas of the district are so important."

Karen likes the ease of automatic donations. "It's so handy to have a program like this for giving every month, and then I can always do a little more on the side."

Becoming a recurring donor is as simple as just checking a box on our online donation form, or emailing us if you'd like more information.

Thanks to our Friends, and the fountain of hope their recurring gifts offer, our work grows steady and strong.
