Cascade Medical Foundation would like to invite you to be a sponsor of the 21st Annual Cascade Golf Classic planned for Monday, June 17, 2024, at Kahler Mountain Club near Lake Wenatchee.

Proceeds from this charitable golf tournament will help purchase new lab equipment for Cascade Medical, a rural, critical access hospital that serves Upper Wenatchee Valley residents and visitors — from Blewett Pass to Stevens Pass, including Peshastin, Dryden, Leavenworth, Plain, and Lake Wenatchee.

Our goal is to raise \$70,000 for a hematology (blood) analyzer, which will replace and upgrade an aging machine. The diagnostic tool, used 20 to 30 times every day at Cascade, counts white and red blood cells as a standard first step in screening a patient's overall health. The analyzer's complete blood count report, which includes 18 "numeric" results, helps identify infection, anemia and leukemia in addition to flagging abnormalities with blood cell health. Doctors also use the blood count analyzer to monitor response to treatment.

The machine's vital importance helped push its replacement to the top of Cascade Medical Foundation fundraising efforts for the coming year.

Why should you consider being a sponsor?

In addition to supporting a life-saving cause:

- The Cascade Golf Classic has become the Leavenworth area's biggest charity golf tournament of the year. This means good visibility for your business and an opportunity for you to show your support of local healthcare.
- Your support will allow Cascade Medical to better serve its patients and the community!

Thank you for your consideration in becoming a sponsor this year.

Please see the following pages for sponsor descriptions.

Sincerely,

Cascade Medical Foundation Board Members
