A Charming Day for Young & Old Celebrate Mother's Day at our 3rd Annual Charm Walk

Don't you love all the incarnations of Leavenworth for every season, festival and holiday? Come to our 3rd Annual Charm Walk to receive a memento of Leavenworth that you can wear year-round—a Holidays in "Charm"ing Leavenworth charm bracelet.

We are planning a charm walk to boost all our spirits in these challenging times. Stroll through downtown shops, gathering eighteen charms along

the way at participating businesses. There's sure to be a valuable coupon or two as well!

Join us 11am-4pm May 9th, or noon-3pm May 10th to celebrate a lovely Mother's Day weekend with friends & family. Tickets are \$20 online or at our booth in the Cascade Medical parking lot. Hope to see you there! (Event date & time subject to change for health & safety reasons.)

Our annual fundraising campaign is off to a great start thanks in part to a generous \$4000 donation made by Lake Wenatchee Fire & Rescue in January!

As of early March we have raised \$34,000 toward our goal of \$120,000 to help buy safety equipment for all three ambulances at Cascade Medical. We welcome your support for our 2020 campaign. Please consider making your donation today!

One Key to Our Success

Cascade Medical Employee Payroll Donations

"It's exciting to see the new equipment provided to our facility each year," Jill Barich, Cascade Medical's Executive Assistant, said, in reference to CMF campaigns that have helped the hospital with key upgrades.

Cascade Medical and CMF share the value of *commitment*. Cascade Medical employees display their commitment every day on the job, and also through their generous support of CMF. Since a program for payroll donations began in 2014, employees representing every department have given over \$47,000 toward

our campaigns! Participation has increased steadily over the years. We are extremely grateful to the Cascade Medical employees who care deeply for patients, each other and our broader community.

"I love giving, because I can give," said Dixie Gough without any hesitation. Gough has worked for Cascade Medical for eighteen years and is on the cusp of retirement. She said, "It benefits *everyone* in the long run."

Employee Payroll Donations

Another long-time donor, Heather Miller, works in the accounting office of Cascade Medical. "I donate through payroll because it is simple and easy," she said. "The impact that CMF makes on behalf of our community is our patients get the latest and greatest equipment which enriches their health."

2019 Ladies Night Out

For the Love of Our Donors Donor Appreciation Party @ Silvara Cellars

The beautiful hilltop tasting room of Silvara Cellars provided a perfect backdrop for our 2019 Donor Appreciation Party. Forty-five guests shared an evening of fellowship with good food, good wine, and good company.
